

2026 REPRO GALA SPONSORSHIP LEVELS & BENEFITS

Your investment in our 15th annual REPRO Gala will fuel the ground game to build strong access to reproductive healthcare for all Virginians. This year is historic as we celebrate major legislative victories, including the second and final passage of the Constitutional Amendment for Reproductive Freedom, the Contraceptive Equity Act, the Right to Contraception Act, and much more.

Last November, we made history by electing a reproductive freedom trifecta and the Commonwealth's first-ever female Governor. Now is our chance to ensure our rights cannot be taken away, and Virginians are empowered to make their own healthcare decisions without political interference or coercion.

Virginia is the last state in the South without a post-Roe abortion ban. Help us "**Make REPRO History**" by joining us on June 5th to send a message to the country and the world: Virginians want reproductive freedom!

This year, you can choose to either become an event host or purchase a traditional sponsorship!

Sponsorship FAQ

- Why have the sponsorship levels changed?

- Since this is a milestone year for reproductive freedom in Virginia, we took time to ensure that our sponsorship levels truly reflected the impact of our sponsors' investments. Our work will be able to move forward thanks to the generosity of our supporters.
- What is the difference between becoming a host and purchasing a traditional sponsorship?
 - Whether you choose to become a host or purchase a traditional sponsorship depends on the types of benefits you wish to unlock. Traditional sponsorships offer a larger range of promotional perks and event tickets. However, whether it is the VIP reception, wine, or dessert table, each host will be sponsoring a whole singular aspect of the gala and will be recognized at the event for that specific contribution. Host opportunities are limited and will be unavailable once we have one of each level.
- I want to sponsor this event. How can I submit my contribution?
 - Thank you for joining our 2026 REPRO Gala as a sponsor! You can submit your payment safely online via this link: <https://reprorisingva.org/sponsor-repro-gala-2026/>, by phone at 804-387-7488, or by sending us a check to P.O. Box 1204, Alexandria, VA 22313-1204. Please write "sponsorship" on the check's memo line.
- What will my sponsorship support?
 - Our gala helps us raise funds to maintain the operations of our 501(c)(4). But we also host a silent auction to support our 501(c)(3) – our charitable arm.
- Will my sponsorship be tax-deductible?
 - The primary goal of our gala is to raise funds for our 501(c)(4) efforts. Donating to our 501(c)(4) is not tax-deductible. Support for our 501(c)(4) is hard to come by, so we encourage guests to consider purchasing a sponsorship level to help us keep our work going strong.
- I prefer to give to your 501(c)(3), can I do that?
 - Absolutely! You can simply give online, via check, or your DAF (Donor-Advised Fund) to REPRO Rising Virginia Foundation in support of our gala. Ticket-purchasing with donation options are available upon request.
- I bought a sponsorship, but I cannot use all my tickets. What can I do?
 - If you cannot use all your sponsorship tickets, you can contact us at development@reprorisingva.org and donate the tickets you will not use. Donated tickets allow us to invite young activists and advocates.
- My sponsorship benefit includes valet parking tickets; how do I claim it?

- If you purchase your sponsorship before May 17th, you will receive your valet parking ticket by mail. If you purchase your sponsorship after May 17th, you can pick up your ticket at the event when you arrive.
- Why is the event location not listed?
 - To ensure the highest level of safety for all our guests, we will provide all registered and vetted attendees with the details of our event's location closer to the date of the event.
